

New Leaders Council has a new opening for a high-level, hands-on volunteer to take over as its Leadership Committee Head. The volunteer will be responsible for:

- Attending the monthly NLC meeting (1.5 hour/month)
- Attending the monthly NLC leadership team meeting with the Committee Chair, Events Committee Head and Outreach Committee Head (>1 hour/month)
- Working with the Leadership group to pull together speakers for the monthly Leadership Spotlight
- Working with other NLC committees to develop a Mentoring Program that connects NLC members with others across our City Club community

This is an excellent opportunity to be part off a growing organization, meet community leaders, sharpen your leadership skills and make lasting friendships.
